## DETAILED ACTION

### *Election/Restrictions*

1. Claim 3 allowable. The restriction requirement between the species, as set forth in the Office action mailed on 5/26/2005, has been reconsidered in view of the allowability of claims to the elected invention pursuant to MPEP § 821.04(a). **The restriction requirement is hereby withdrawn as to any claim that requires all the limitations of an allowable claim.** Claims 2, 5, 6, 8, and 9 directed to non-elected species are no longer withdrawn from consideration because the claim(s) requires all the limitations of an allowable claim.

In view of the above noted withdrawal of the restriction requirement, applicant is advised that if any claim presented in a continuation or divisional application is anticipated by, or includes all the limitations of, a claim that is allowable in the present application, such claim may be subject to provisional statutory and/or nonstatutory double patenting rejections over the claims of the instant application.

Once a restriction requirement is withdrawn, the provisions of 35 U.S.C. 121 are no longer applicable. See *In re Ziegler*, 443 F.2d 1211, 1215, 170 USPQ 129, 131-32 (CCPA 1971). See also MPEP § 804.01.

*Allowable Subject Matter*

2. Claims 2-9 are allowed.

3. The following is an examiner's statement of reasons for allowance: Independent claim 3 has been amended to include the limitation that each of the display element is disposed to correspond to a single color. This differs from other prior art projectors that include scanning devices and all the other claimed limitations, in that the other projectors each display element was not disposed to correspond to a single color (it was disposed to correspond to multiple colors.) Accordingly claim 3 is allowable. Claims 2 and 4-9 are dependent on claim 3 and are therefore also allowable..

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
